COMMONLY ASKED QUESTIONS

How often can I use this service?

This service is intended to help with the  
occasional need for a bulk item to be  
removed. Occasional defined as no  
more than 3 requests in a 6 month  
period. This service is not for a total  
home or room clean-out, moving or  
renovation projects.

WHO can participate?

This expanded service is for residents within  
the City limits who receive City collection  
service for trash, recyclables and yard waste.  
Bulk Collection is also provided for the  
development of Bulle Rock - individual homes  
only.

- This Bulk Collection Service does not  
include residents of apartments,  
condominiums, businesses, and  
commercial properties.

WHEN will this collection occur?

FRIDAYS - must call to schedule.

- No bulk collections on a holiday or  
during the holiday week.

HOW many items may be scheduled?

Residents may request up to 3 bulk items  
to be collected at one time.

- Only those items requested and put  
on our schedule for that day will be  
collected.
- We do not remove bags of household  
waste for this service. Bags go out  
with regular trash collection.

Note: This Bulk collection service as  
defined herein is subject to change.
